Nearly 1 in 3 American families struggle to afford diapers for their babies.

DIAPER NEED IS REAL... WE NEED YOUR HELP!

Dear Supporter,

We need your help in raising funds and collecting diapers to support our "Close the #DiaperGap" and "OC Diaper Bank" programs. Our programs provide free and subsidized diapers to low-income families, and are currently the **only secular Diaper Bank in Orange County** that serves the public.

How you can help is detailed on the right hand side. By doing this, you will ensure that we can continue to provide our services to our community.

Each business that helps our Diaper Bank Program will be featured on our **social, website, & newsletter.**
